In some cases they last longer. They never need repairs. They're fire-proof, storm-proof. They reduce the cost of insurance, and they're easy to lay. They preserve the building too, by keeping out dampness: so if you want a thoroughly cozy home in winter, and a cool house in summer, you can't do better than see that Cortright Shingles are used for the covering.

A LITTLE TALK

From the

Publishing Agents

HE MINUTES of your Conference are always important, being, as they are, the continuous history of your Conference life and work. These Minutes represent the crystallizing of the activities of your Conference for one year. These activities are built around certain principles, one of which is loyalty to your denominational life and work.

The Methodist machine, by which Methodist work is done, is in many respects the most remarkable thing of its kind in the world. One of its greatest arms of

power is the Methodist Book Concern. It lives to serve the Church. It publishes the best books, and the widest variety of books for all the different classes which make up your home. There is no equal to this Publishing House in this country. It has a system of weekly Advocates covering the country. One of them serves your particular part of the country. It is the best medium of communication between you and the Church at large; it has the most inspiring news of the Kingdom, and the best methods are outlined for the bringing of the Kingdom. You ought to have the Advocate in your The cost is nothing compared with its value. Concern publishes the finest, completest, strongest system of Sunday-school literature to be found in the world, and it is constantly being improved. The Publishing Agents will be glad to send samples liberally to any school inquiring; samples of Advocates without cost, either to preachers or laymen; catalogues of books and other publications always free.

There is another reason: the profits from these sales do not go into any man's private purse, they are gladly turned over each year to the deserving veterans of the Church. In twenty-five years these payments to needy superannuates and other claimants have amounted to millions of dollars. It is the most splendid thought to-day in the business world—crystallizing the annual profits into comforts for

the deserving.

Consider first your duty, then consider your opportunity, and then consider your privilege, and try and get some comfort out of patronizing the Book Concern for this coming year because you shall give it more patronage. Always write to and order from your nearest Depository.

Respectfully,

Jennings & Graham

BISHOP HENRY SPELLMEYER, D. D.

PASGORAL ADDRESS

To the members of the Methodist Episcopal Church throughout the bounds of the Southern Illinois Conference, we, your servants and pastors, in Annual Conference assembled, send greetings:

"Grace to you, and peace, from God our Father, and the Lord Jesus Christ."

"We give thanks to God always for you all, making mention of you in our prayers; remembering without ceasing your work of faith, and labor of love, and patience of hope in our Lord Jesus Christ, in the sight of God and our Father; knowing, brethren beloved, your election of God."

We rejoice with you that you have been counted worthy to be called the sons and daughters of God, and congratulate you on the attainments you may have made in the gifts and graces of a Christly life.

We are gratified to note the increased interest taken by you in the temporal economy of our Church in the last decade, as manifested in the larger amounts contributed to our various benevolent enterprises, the enlargement, repairing and beautifying of churches and parsonages, the building of many splendid and commodious new ones, and the increased liberality in the support of your pastors.

While there is much improvement still needed along all these lines, we believe you keenly appreciate the fact, and will prove equal to the need, thereby assisting to bring our beloved church to be the increased power in our bounds that the Master designed it to wield, and all to His honor. We call your attention favorably to the advanced movement taken by our church, and our sister churches, for the more rapid evangelization of the world, and especially to the Laymen's Missionary Movement. Fall in and keep step with the forward movement. Methodism should occupy a front rank in Southern Illinois for the universal spread of the gospel, and the salvation of the world. Where practicable, organize a Men's Missionary Movement in each church-at least in each charge. Our women are ahead of our men in missionary intelligence and enterprise. Methodist men, organize, study, and bring up your end of the line! That you may be the more intelligent as Christians and Methodists, take and read one or more of our excellent church papers. They are not surpassed. Order your books from our own book concern.

Be warned against the encroachments made by the world of industry, the world of sinful pleasure and Satan, upon the sanctity of the Sabbath, threatening to undermine this, one of the strong pillars of our holy Christianity, and an indispensible institution of this Christian republic.

Remember that the children and young people of your homes and schools are the hope of the world, and the church of tomorrow. The church of the future depends almost entirely upon our fidelity to the young of today.

If the world is ever savingly converted, it must be done in childhood and youth. Nothing can surpass wise, devout home training, or be substituted for it, or release parents from their obligations to use it. Let there be a family altar in each home, remembering that if we are not religious at home, we are not religious anywhere. Where it is possible, go with your children to the Sunday School, and then have them remain with you to the preaching service, and if convenient, again in the evening. Souls are rarely ever converted in Sunday School. They should be trained to regular churchgoing habits while young and in the formative period of life, or they rarely ever will be regular church-goers, or become church If impossible for them to attend Sunday School and church both, they had better attend the preaching service. By failing to have our children and young people stay for church, have we not unwittingly trained a generation of non-churchgoers, and is there not danger that we are repeating it with the present generation of young people?

Let the parents join their pastor, Sunday School and church-workers to avert this. "The whole family in Sunday School, and the whole family at the Sunday morning preaching service" is a good stand to work to. Get them converted and into the church while they are young, and nurse them faithfully for Christ and His Church.

We deeply sympathize with, and devoutly pray for, any who, during the year, have suffered serious loss in business or health, or have been called to pass through deep sorrow or under the dark chilly cloud of bereavement, commending all such to the consolations of our Holy Gospel and the grace of Him who tempers the wind to the shorn lamb.

We rejoice with those who rejoice, and weep with those who weep. FRED L. THOMSON,

FREDERIC H. KNIGHT, J. G. HARMON, A. D. WOODLEY.

REPORT OF THE COMMITTEE ON HOME MISSIONS AND CHURCH EXTENSION.

Whereas, There are constantly increasing needs of the work of our church and ministry because of the opening up of new territory through development of mining districts especially in Southern Illinois, and in the railroad centers of our territory, where are now large foreign poulations; and

Whereas, The forces we now have in these fields are wholly inadequate to meet these needs, while the people are themselves calling us to come in and possess the land; be it

Resolved, That, while we are heartily thankful for the \$1,300 we last year received for this work, we deem it necessary that we should have at least \$3,000 to put into the work of these fields; and

Resolved, That we ask the General Committee on Home Missions and Church, through our District representative, for an appro-

- That we approve of the method of making the Epworth League self-supporting.
- 4. That we encourage the circulation of the Epworth Herald among all our people.
- 5. We recommend the Bible and mission study, and that classes be organized wherever practical.
- 6. We cordially approve of the suggestion of the cabinet of the Illinois State Epworth League relative to reorganizing the State Cabinet and providing for a Conference President of the Epworth League, who shall be a member of the State Cabinet. We recommend Cameron Harmon as Conference President.
 - J. B. RAVENSCROFT, President.
 - J. B. CUMMINS, Secretary.

AUDITING COMMITTEE.

Having carefully examined the reports of the District Superintendents relative to receipts and disbursements of Domestic Missions Fund, we find the same to be correct.

G. E. M'CAMMON. Chairman.

DISTRICT CONFERENCE JOURNALS.

We, the Committee, report that we have examined the Journals of Lebanon, Mt. Vernon and Olney Districts, and find them neatly and correctly kept. Alton, Mt. Carmel and Vandalia Journals were not presented.

SAMUEL ALBRECHT, Secretary.

W. F. M. S.

We recognize the Woman's Foreign Missionary Society as a necessary complement to our parent Board, and second only to it, the most potent and efficient agent of the church in foreign lands. Therefore, we earnestly urge upon our pastors to encourage the organization of auxiliaries until there shall be, as far as practical, an auxiliary on every charge.

V. B. SULLENS, Chairman.

W. H. WHITLOCK, Secretary.

SUNDAY SCHOOL COMMITTEE REPORT.

We, your Committee on Sunday Schools, submit to you the following:

We, believing the Sunday School is the recruiting station for the church, and realizing that the church needs well-trained soldiers, recommend:

- 1. That the Bible be always present and more prominent in the school.
 - 2. That the importance of teacher training be emphasized.
 - 3. That the graded system be adopted.
- 4. That the teachers' meeting be regularly held in connection with all schools.
- 5. That all necessary helps be our own authorized publications.
 - 6. That the evangelistic spirit be encouraged in every school.

N. B. COOKSEY, Chairman.

REPORT OF COMMITTEE ON FREEDMEN'S AID.

Your Committee on Freedmen's Aid most respectfully reports:

1. The last annual report of this Society shows that our colored people in the Soutn are crowding our twenty-two schools and colleges to such an extent that increased buildings and equipment are sorely needed by our institutions. The number of colored young people anxious for industrial and professional training is vastly greater than our accommodations can supply. The colored people are rapidly realizing that the training of the hand and the head constitutes the principal means of uplift in this age, and are making every sacrifice that such training may be attained. Our schools constitute the only means by which Christian ministers, teachers, doctors and other leaders shall be prepared for the 350,000 colored members in our own church, and to a large extent for the ten millions of black people in the United States. The colored

2. For the moral and religious training of the colored people our schools are indispensable. The Christian teacher is more than a mere teacher of trades and industries. He is the director and example of the moral and religious life of the young people. No young man or woman can be in one of our schools for any length of time without receiving more or less of the great Christian impress necessary to the development of moral manhood and womanhood. In order to do our share twards the moral and spiritual uplift of this race, we must give them the Christian teacher.

people gave for their own schools last year \$28,830.32. One of their Conferences, the South Carolina, gave \$6,225.26 of this amount.

3. The Board asks the whole church for \$250,000, or ONE-FIFTH of the apportionment for Home Missions and Church Extension. Of this amount the Southern Illinois Conference is apportioned \$2,000, which we have accepted. We hereby pledge ourselves to present this cause at least once during the year to our congregations, and give our people an opportunity to contribute towards this most needful work. Lincoln Sunday has come to be one of the institutions of the Church. It offers the best opportunity during the year for presenting the cause of the freedmen to our congregations. If it be inconvenient to do so at any other time during the year, we can at least present the cause on this Sunday and take the offering. Most respectfully submitted,

FREDERIC H. KNIGHT, Chairman. A. G. PROCTOR, Secretary.

DEACONESS WORK.

In view of the good work done by our Deaconesses in the charges where they have been employed, we recommend the employment of the Deaconesses wherever practical. That as pastors we pledge our support to the office and work of the Deaconesses and commend the same to all suitable young women.

C. D. SHUMARD, President. W. T. MORRIS. Secretary.

WESLEY HOSPITAL.

We cordially recommend Wesley Hospital to those of our churches who are in need of expert medical and surgical services, and that we hearily encourage the support of the free bed work of the institution. We recommend that all our pastors and Home Missionary Societies render such aid as will substantially assist in keeping this institution in the front rank.

JOHN E. SHAFER, Chairman.

CLASS MEETINGS.

Whereas, The Class Meeting is a service particular to Methodism, and about it lingers some of the most sacred memories of life, and believing it to be the means of strengthening the Christian life; be it

Resolved. That we seek to impress on all members of the church its vital importance, and by our attendance and testimony seex to further its interests.

C. S. TRITT, Secretary.

INTER-CONFERENCE MINISTERIAL INSTITUTE.

Whereas, There is a plan launched to organize an Inter-Conference Ministerial Institute; therefore, be it

Resolved, That we elect a Conference Institute Committee of three, the chairman of which, with the chairmen of like committees from each of the other conferences co-operating, shall form an Executive Committee, who shall have authority to organize and maintain an Inter-Conference Ministerial Institute, with the provisions that:

- They shall have no power to incur any financial indebtedness on the Southern Illinois Conference.
- That the faculty shall, as far as possible, be manned by our strongest theological professors.
 - 3. That the tuition fee shall not exceed \$10.

We recommend the committee to be Dr. J. F. Harmon, J. G. Tucker, J. W. Cummins.

J. C. KINISON, Secretary of Conference.

Passed at Centralia, Ill., September, 1909.

REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee on Temperance, after careful consideration of all matters placed before it, reports as follows:

We are fully awake to the fact that a fierce moral battle is now being waged on American soil-the Federated Church in opposition to the liquor traffic and allied evils. The liquor dealers themselves have recently said, "This is not a wave, but a war." We accept the challenge. Our foes are so resourceful, determined and unscrupulous, and the issues of such tremendous importance as to call forth all our energies and strength. We urge every pastor and layman of our Church to stand in his place ready to do his full duty. Load to the muzzle and aim direct at the heart of this iniquitous trade. The saloon is wholly bad. It debauches politics. It is an open sore in our cities, and the pest of civilization. It is a deadly and corrupting foe to our young manhood, and an insolent affront to the womanhood of our land. We rejoice at the progress now being made against this hotbed of vice and immorality. The conscience of the people is declaring more and more loudly that money made by the degradation of man, the demoralization of woman, the corruption of the commonwealth and the ruin of souls, is foully made, and the rum-seller will not be forever allowed to accumulate more wealth as he piles up more iniquity.

We dare not temporize with this evil. We will not compromise, but, standing, pledge ourselves in the name of Jesus Christ, to do

our utmost, in every possible way, to accomplish the speedy and complete overthrow of the beverage traffic in strong drink.

We appreciate the great work of the Anti-Saloon League, and will continue to give it our most hearty support.

We recommend the appointment of Rev. John F. Harmon, D. D., Lebanon, Illinois, and Dr. L. W. Fiegenbaum, Edwardsville Illinois, to represent this Conference on the Eoard of Directors of the Anti-Saloon League of Illinois,

We nominate Rev. G. E. McCammon, East St. Louis, Illinois, and Rev. Ira W. Terhune, Bridgeport, Illinois, as delegates from this Conference to the National Anti-Saloon League Convention, to be held at Chicago. December 6-9, 1909.

In regard to the organization of "Citizens' Local Anti-Saloon Leagues" we recommend that no action be taken.

We desire to express our appreciation of the work of our brother Dr. F. W. Loy as district superintendent of the Anti-Saloon League, and promise him, as a conference of his brethren, our support and co-operation, not only in holding the territory won, but also in pushing on for county option and State-wide prohibition.

REPORT OF COMMITTEE ON RESOLUTIONS.

We are conscious of our obligations to the many who have contributed to our entertainment, comfort and instruction; and as a Conference feel ourselves greatly indebted for many favors shown

Therefore, Resolved:

First. That we hereby extend to Bishop Spellmeyer our ex-

pression of gratitude for the efficient and brotherly manner in which he has presided over our Conference sessions.

Second. That it is the sense of this Conference that it has been ably and cheerfully served by the Secretary, the Statistical Secretary and their assistants; the Treasurer and his assistants, and our Postmaster, and we hereby express our thanks for the same.

Third. That we greatly appreciate the services of the pastor and the Committees on Reception, Transportation and Entertainment, and we hereby extend our thanks to them and to the people who have so kindly opened their homes for our entertainment.

Fourth. That we highly appreciate the kindness of the other churches of the city, shown in opening their houses of worship for our use; and we also express our gratitude to the newspapers of the city for the free use of their columns; and to the citzens of Centralia for their generous hospitality; for the many favors shown us, especially in the decoration of the business houses and in the illumination of the city in our honor.

We desire also to assure Col. Pettinger and his son of our hearty appreciation of their kindness in opening the Grand Opera House for our services on Sunday morning.

We desire also to extend to Mr. J. C. Ross, the florist of Centralia, our thanks for the beautiful flowers, and we assure him and the city that with the beautiful fern presented to each member of the Conference, we take to our homes also pleasant memories of all. Centralia has won the confidence and esteem of the Southern Illinois Conference of the Methodist Episcopal Church.

Respectfully submitted,

B. A. HOAR, President.B. F. SHEFFER, Secretary.

Whereas, the present method of distributing the amounts received for Conference claimants to the claimants or their representatives fall at or near the closing session of the Conference, and is usually attended with a great deal of confusion; and, whereas, it is sometimes embarassing to the claimants, therefore be it

Resolved, That the Board of Stewards shall make their usual report of amounts received and the disbursements in open Conference.

That the Treasurer of Board shall have an office in or near the church when the Conference is being held, and that all claimants or their representative shall call amounts received, and receipt for such amounts as have been apportioned to them.

W. T. MORRIS.

PERIODICALS.

We, your Committee on Periodicals, desire to submit the following report:

We have not had access to the pastors' reports, and therefore we are unable to state definitely the number of Church papers and other periodicals taken by our people, but we are persuaded that our literature is not appreciated as it should be.

The Central Christian Advocate, as was stated in last year's report, was born on the soil of the Southern Illinois Conference, and should therefore receive our earnest commendation and support.

We would urge every pastor to lay this important interest of our Zion to heart and prayerfully use every means within his power to give it prestige, and increase its circulation in the territory committed to our charge.

We desire to call the attention of the brethren anew to our own Sunday School literature which, in our estimation, is as good as the best now being published.

We think this literature should be used without exception in every Methodist Sunday School.

We would also heartily recommend the Methodist Review, as a journal presenting the latest and best religious thought and research; and we would emphasize the value of the Epworth Herald as a young people's paper, and urge all of our Epworthians to subscribe for it and help to increase its circulation.

D. W. BAKER,

L. R. MAUK.

AMERICAN BIBLE SOCIETY.

The American Bible Society is one of the greatest institutions in the publication and distribution of the Bible in the Foreign, as well as the Home field, and has been a great agency in helping the missionary cause and advancing the Kingdom of Jesus Christ. Be it

Resolved. That each preacher of the Conference commend this great work and urge the people to make an annual offering to same.

M. B. VAN LEER, Secretary.

A PROPOSITION.

This is the age of hospitals, homes, and institutions which commend and befriend Christianity. I therefore present this proposition to this body, that you may take advantage of every good thing, and put it to the use of humanity.

Mrs. Carrie Holden, the wife of the late Frank Holden, who was an honored member of the First Church of Litchfield, proposes to give a house and six lots, located in one of the most desirable parts of the city of Litchfield, valued by herself at \$9,000, and by S. M. Grubbs, the president of the First National Bank of said city, at \$10,000, to the Methodist Episcopal Church fee simple.

She desires to do this under the following conditions, to-wit:

- 1. It shall be a hospital and home for old people; and is to continue to be such perpetually.
- 2. That her brother-in-law, who is now sick, and seventy-nine years of age, shall have a place in this home, should he desire it, as long as he lives, without any compensation for such home, and the necessary expense for any service involved.
- 3. That should Mrs. Holden herself meet with any misfortune that would reduce her to the necessity of asking it, and should she so desire it, shall have a home and the usual care given to such persons in the home, as long as she shall elect, without compensation also.
- 4. The home and hospital shall be supported by voluntary contributions, donations, bequests, and by special solicitations made in keeping with the rules of the Methodist Episcopal Church.

The property is situated on State Street, one of the principal streets of the city, and is in one of the most desirable residential parts of the city, and with ample room, three lots fronting on State Street, and three fronting on Madison Street. State Street has been paved during the last summer. There is a main sewer on the street running south of the property, and a lateral sewer on State Street. The donor hopes to be able to pay for all this improvement before the transfer is made.

The house is a two-story frame building with an attic and cellar, which has a granitoid floor.

She thinks the transfer of the property can be made during the next Conference year, as soon as she is able to purchase and fit up a smaller house for herself.

The fourth condition is made, that for the support of the home and hospital, because she does not want it supported by dancing parties, card partics, or any sort of questionable schemes.

COMMITTEE ON HOLDEN HOSPITAL AT LITCHFIELD.

Your committee on the proposition submitted to this Conference by Mrs. Carrie Holden of Litchfield for the establishment of a Hospital and Home for Old People, having carefully considered the matter, report as follows:

- 1. The substance of her proposition is to donate to the Methodist Episcopal Church in fee simple a house and six lots favorably located on one of the principal streets of the City of Litchfield, and valued at \$9,000 or \$10,000. The same to be converted into a Hospital and Home for Old People to be maintained as such perpetually. A condition of the gift is that the Hospital-Home shall be supported by voluntary contributions, donations and bequests, and by special solicitation made in keeping with the rules of the Methodist Episcopal Church.
- 2. We wish to express to Mrs. Holden our high appreciation of her liberality in this generous proposition and to tender her our sincere thanks for the same.
- 3. We will accept the gift contemplated, and will undertake to administer the same in harmony with her high purpose and to the help of whomsoever may be benefited thereby.
- 4. We recommend the appointment of a commission of the following persons to have this matter in charge, with full power to act, making report of their trust to the next session of this conference, namely: The pastor of the First M. E. Church in Litchfield, Chairman. The pastors of the First M. E. Church in Edwardsville and in Alton, and of Niedringhaus Memorial Church, Granite City; also Messrs. Dr. J. R. Bennett, S. M. Grubbs and W. P. Thorp of the City of Litchfield.

T. DeWITT PEAKE, Chairman. JAMES G. TUCKER, Secretary.

GARRETT BIBLICAL INSTITUTE.

Your visitor to Garrett Biblical Institute would respectfully report as follows: Having spent a full week attending commencement exercises and examinations of that institution. The examinations and thesis seemed to him to afford evidence of thoroughness of research and scholarly leadership. While fully abreast with the highest biblical scholarship, this great school preserves its loyalty to the time-honored doctrine of historic Methodism. We recommend that all candidates for the ministry, after a course at McKendree, spend three years in this or some other theological school. Respectfully,

L. W. THRALL.

REPORT OF ALTON DISTRICT.

To Bishop Spellmeyer and the Members of Southern Illinois Conference: I make my sixth and final annual report of Alton District. The district embraces within its boundaries a large amount of manufacturing and mining interest. This brings to us a population that is quite cosmopolitan in its character, rendering the work more difficult and the results less satisfactory than would be if these conditions did not exist. In order to try to reach these people who are a aversed to the church and especially to Protestantism we have

Rev. J. H. Ford.

had a Bulgarian Mission at Granite City, with the Rev. P. D. Vassiliff, a native Bulgarian, as missionary. He has worked faithfully, doing the best he could under very great difficulties and discouraging conditions.

The Conference year has been, in many respects, the best during our entire administration. A very creditable progress has been made, and very encouraging success realized along all lines of church work.

A spirit of revivals has pervaded almost the entire district.

Nearly every pastoral charge has been quickened by the impulse of an evangelistic spirit. Among the charges that have shared most largely in this evangelistic movement, we would mention Granite City, Niedringhaus Memorial Church, 400 conversions; Upper Alton, 250; Jerseyville, 150; Coffeen, 145; Herrick, 146; Piasa, 75; Venice, 50; Staunton, 60; Glen Carbon, 46. Other charges report from 5 to 10 each, making a total of not less than 1,500 conversions, a larger number than that of any previous year of the six.

In some instances the pastor alone, or assisted by some other pastor, has held his own meetings. In others instances evangelists or deaconesses have been employed.

Three new charges have been formed this year, viz.: Mount Olive, Madison and Wood River. The first mentioned are stations, the latter is new territory in a city of about 3,000 inhabitants, that has sprung up in the last three years between Alton and Granite City.

We believe that we have here the opportunity of building up a good charge. Two excellent parsonages have been built, one at Gillespie and the other at Mt. Olive. The increase in ministerial support has exceeded that of any previous year. Each year during our term on the district there has been an increase in ministerial support ranging from \$600 to \$1,200. This year Mt. Olive makes an increase of \$600 over the entire charge of last year. Madison makes a similar increase of \$500; Edwardsville makes an increase of \$200 on pastor's salary; Granite City Niedringhaus Memorial, \$120; Herrick, \$100; Plainview, \$100; Medora, \$50; Ramsey \$50; Plasa, \$50; District Superintendent, \$300. Total, \$2,070.

The District Stewards at their annual meeting in the early part of the Conference year, made an apportionment fully covering the amount asked for conference claimants and Episcopal fund. I have especially called the attention of the pastors and quarterly conference to the fact that these claims are fixed on a per cent basis with the pastor's salary, and that each of these must share pro rata.

The placing of these claims, including that of the District Superintendent, on a per cent basis with the pastor's salary has, in most cases, met with the hearty approval of both pastors and the Quarterly Conference. They consider this, together with the pro rata division, as the only fair and equitable method to be pursued.

This has been a year of debt paying. Alton First has paid

REPORTS.

during the year \$10,000 on a debt of \$22,000, reducing the debt to \$12,000; Granite City Niedringhaus Memorial has paid on interest and debt about \$1500. The church at Washington street, Alton, has struggled heroically with a burdensome debt. This debt was provided for in monthly payments through the building and loan. A good portion of this for the year has been paid, though they are somewhat in arrears.

All the indebtedness on the church at Glen Carbon has been paid off. The church at Hamburg is entirely out of debt, and the church was dedicated by Dr. John F. Harman August 29, 1909.

At Tyler Avenue Litchfield Circuit, over \$200 has been paid, reducing the debt to about \$360.

it is with gratitude to Almighty God for His goodness and mercy, and with due credit to the loyalty and faithfulness of the pastors and laity that we report the advance that has been made, as indicated by the following increase during the six years of our term of service on the District. Net increase in membership, 1,392.

Ten new churches have been built, as follows:

	Value.
Alton First Church	\$40,000
Alton Washington Street	14,000
Godfrey	6,000
Herrick Circuit	1,000
Granite City Dewey Avenue	3,000
Maryville	1,000
Upper Alton Mission	1,000
Litchfield Tyler Avenue	2,500
Madison	3,200
Venice	4,000

Ramsey and Jerseyville Churches have been remodeled, making them almost new churches in the interior.

The following new parsonages have been built:

Granite City Niedringhaus Memorial	Value.
Granite City Niedringhaus Memorial	\$8,000
Litchfield First Church	
Gillespie	3,000
Herrick	1,000
Donnellson	
Piasa	700
Plain View	1,000
Shipman	1,500
Mt. Olive	2,500
Hamburg	1,200

This makes a total of ten new parsonages. Total cost of par-

sonages and churches, \$100,000. Other churches and parsonages have been improved and remodeled, making a total increase in value of church property of \$140,000.

Net increase in churches, three; in parsonages, five. Total increase in ministerial support, \$6,000. Total increase in the benevolent collections as reported last year. \$1222.

We believe the District is in a prosperous, growing condition. True, there are problems to solve and difficulties to meet and overcome, but with faith in God, heroic effort, and loyalty to our wholesome doctrines and unexcelled polity, the victory is ours. Southern Illinois Conference is almost inexhaustless in its resources and I predict a great future for this Legyptian territory.

I gratefully acknowledge the Divine Providence that has protected and guided me amid the great responsibilities and arduous duties connected with the office and work of a District Superintendent. I have been blessed with health and physical strength, so that I have not missed a single appointment on account of sickness.

J. H. FORD, District Superintendent.

Report of J. W. McNeill, District Superintendent, Mt. Vernon District, Southern Illinois Conference.

Dear Brethren—Through the good providence of God, I am permitted to present to you this, my sixth and last, annual report of the work of the church and my own work in the Mt. Vernon District.

With one exception the ministers appointed to work in the district continued with their charges until the end of the year. Rev. P. A. Smith, who was appointed to Ullin charge, was transferred at the end of the first quarter by Bishop Bristol to Marissa, in the Lebanon District.

The supplies secured, with two exceptions, continued with the work and did good and faithful service until the close of the year.

The increase in amounts estimated for ministerial support over the preceding year amounted to \$2,000, and in a large per cent of the charges the claims have been met in full. A few charges have fallen short, but the shortage is principally on charges where people have been embarrassed by continued inactivity of mining and manufacturing interests.

Of the 39 charges in the District, 23 have made an advance

Rev. J. W. McNeill.

in Benevolent Collections. Nine have held to the record of last year, and 7 have fallen below. From information gathered from pastors I think I may safely say there will be a respectable increase over last year in the aggregate of Benevolent Collections. I may say that continued stringency in money circulation will partially account for the decline on those charges showing a decrease. Theoretically we are in the midst of prosperity, but actually in many localities in the bounds of the Mt. Vernon District this has been a more trying year financially than last.

I regret to say at the end of my term on the Mt. Vernon Dis-

trict that our people are not in as hearty sympathy with the Benevolent claims which the Lord has laid upon her, either in the Home or Foreign fields, as they should be. Though we have made what we with a degree of modesty call a respectable advance, we feel that the contributions by our people to these institutions of the church, through which the light of the Gospel is carried out to the great wide world, should be ten-fold larger than is shown by these reports.

Church and Parsonage Movement.

Three new church buildings have been completed during the year. At Mounds, a rapidly growing town located on the I. C. R. R., nine miles north of Cario, a neat frame church building was dedicated by Dr. J. F. Harmon on the fourth Sunday in July. Cost: \$3,000. Rev. C. W. Campbell, the pastor, is entitled to much credit for untiring energy in pushing this enterprise to completion. The building will comfortably accommodate 300 people. At Pittsburg, on the Corinth Charge, a church has been completed \$1,200. Seating capacity, 200. Rev. A. B. Campbell, pastor. burg is a new and growing town located in the mining portion of Williamson County. The pastor, who has worked faithfully, and the people who have contributued freely toward the election of this comfortable house of worship deserve much credit. A very neat frame church building has been erected at Sessor, a new and prosperous mining town located on the Burlington Railroad, in Franklin County. This is a mission without a missionary appro-Cost of building, \$2,000. Seating capacity, 300. · Rev. T. J. Davis, a local preacher, has worked faithfully without pecuniary remuneration in pressing to completion this enterprise.

Two new parsonages have been erected during the year. One at Cairo, a very pleasant home for the minister and his family, having all the comforts and conveniences of a modern home. The building, completed, cost \$3,500. I will say to the credit of our people and pastor at Cairo, there is not a better parsonage than this in the Mt. Vernon District, and very few, if any, in the Southern Illinois Conference. A very good and comfortable parsonage was erected during the first quarter of the year at Elkville. Cost, \$1,200.

Improvements have been made on churches and parsonages as follows:

The spiritual condition of the church seems, from information gathered through reports from pastors and official representatives of the charges, to be growing better. A larger attendance at the regular and special services of the church is a marked feature of encouragement to our pastors. Increased enrollment and a larger average attendance in Sunday Schools is reported in a large proportion of the charges of the District, and in not a few instances we are confronted with the problem of how we shall provide room for the increasing attendance in our Sunday Schools. The midweek prayer meetings are better attended than formerly in a large number of our societies. It is plainly seen that greater emphasis is being placed on the value of service than in former times. In a few charges class meetings are held each Sabbath, with inspiring effect upon members and ministers.

During the year more than 1,500 conversions have been reported to me from charges throughout the District, and more than 1,000 accessions to the church.

Some noticeable activity in the work of the Epworth League has been shown recently. How lasting this may prove and what good results to the organization and to the church may be brought forth, remains to be revealed in the future. We have not yet ceased to discuss the reasons why we should seek for ourselves the highest Christian experience and help others to the same. It is evident that methods employed are too much on the plan of making the exercises more impressive than the end for which service is rendered. Our young people need to find a reason in every day's experience for activity in all lines of Christian work, and by constant fellowship with the Holy Spirit become personally conscious of that deep and broad foundation upon which all religious character must be constructed. If the end sought in the organization of the Epworth League is attained, it will be after we have passed from the shadows presented to us in books, church

papers, periodicals and magazines, which for a time may mellow the conscience for better things, into the real substance of good things in the Kingdom of God.

On all moral and social questions our people are right, theoretically, if not practically, and are unwilling at least to go on
record as lowering the standard instituted for the government of
the Methodist societies, and expressed in the General Rules of the
Methodist Episcopal Church. Our members and people maintain
an attitude of uncompromising opposition to the saloon. While the
ranks are not as compact as they should be, to secure the greatest
results, there is an evident tendency toward crystallization and
unity of action through organization that prophesies in the near
future the movement of an irresistible force in American politics
that will strike down this giant evil which, under the protection
of law, breeds moral disorder and eternal death in the atmosphere
of every home.

I feel there are some things that should be mentioned in this report in regard to the unoccupied territory and the people unprovided for in this District. Located as we are in the center of the greatest and most productive valley on the globe, our wealth of soil and mineral deposits have directed the currents of emigration towards us. We no longer boast of our distinctive American popu-Our agricultural districts are being rapidly transformed into mining centers whose populations are composed of people from mining localities of the East, and from many portions of Europe. We find it impossible with the local machinery of the church to meet the demands thrust upon us by this magic transition. We must therefore look to our connectional institutions for aid in the solution of this problem, which touches vitally our most sacred social and civil institutions. If our Board of Home Missions and Church Extension will come to our relief with a few thousand dollars annually, we can build houses of worship and organize strong societies in these growing towns, where at present we either have no societies at all or very weak ones. I therefore wish to call the attention of the committee on Home Missions and Church Extension to these facts and ask a careful consideration of the same in formulating the report which they will present to this conference.

Without going into figures, I will say a comparative examination of our Annual Minutes for six years will indicate permanent and continued growth on all lines of church work, as in the six years preceding, under the direction of my predecessor, Rev. N. Crow.

A favoring providence has graciously protected the lives of all of our active ministers, so that neither death nor very serious sickness has invaded our homes. Bro. C. W. Campbell of Villa Ridge Charge, suffered a few weeks' affliction. Bro. Phelps of Ewing Charge, was also prevented from work a short time by an attack of rheumatism. Besides these, so far as I know, all other pastors have been able to continue at their posts of duty through the entire year.

My relation to pastors and people during the term has been very pleasant indeed. I cannot express in words my gratitude for the hospitality and kind personal treatment shown me.

For whatever measure of success may have been achieved and for the blessings of life and health we give thanks to God.

Respectfully submitted,

J. W. McNEILL.

Memoirs

REV. F. W. GRUPE.

Fred William, son of Mr. and Mrs. William Grupe, was born in Effingham, Ill., August 15, 1882, and died at the age of 26 years 2 months and 3 days. He was united in marriage to Miss Mamie Beck, of Lebanon, Ill., October 7, 1902. To this union

were born two children. He was converted at the early age of twelve years and united with the Van Treese Chapel, Methodist Episcopal Church, near his home. He lived a devoted, sincere Christian life. At an early age he felt called to the ministry and began at once to prepare himself for the work. He spent three years at Austin College, Effingham, and two years at Mc-Kendree College, Lebanon, Ill.

He served three charges and built two churches. In the year 1905 he was appointed by the Southern Illinois Conference to Ashley, Ill. Here he gave three years of faithful service. September 16, 1908, he went to Conference and was ordained older, finishing the Conference course. September 21, 1908, he was appointed by Bishop Bristol to Marissa, Ill., where he had the privilege of preaching only five sermons, when God called him home to a greater work. He leaves a devoted wife and two children, a father, mother, two sisters (Eva Grupe Moore and husband, Rev. J. F. Moore, of Beecher City, Ill., and Ida M. Grupe, of Effingham, Ill.), many relatives and a host of friends to mourn their loss.

LAURENCE SMITH.

MRS. NINA MAY HARMON.

Nina May Large was born in Newton Ill., August 31, 1880, and died in the sanitarium in Olney, Ill., November 2, 1908. She was converted in Carbondale in 1892, and united with our church under the pastorate of Rev. William Wallis. Later the family moved to Lebanon, where she was educated. On the 23d day of December, 1903, she was united in marriage to Rev. Cameron Harmon. first pastorate was Grayville, where they labored three years. Their next charge was McLeansboro, where they were living at her The funeral services were held in the new church in Mc-Leansboro, in which she was so greatly interested and for which she had worked untiringly to see completed. Sister Harmon's characteristics fitted her well to be a Methodist minister's wife. She was sympathetic, kind, gentle, energetic and enthusiastic. Her death was not only a loss to her family and church at McLeans-J. S. CUMMINS. boro, but a loss to Methodism.

MRS. MARY W. MANIFOLD.

Mary Wright Lafferty was born at Poseyville, Ind., June 16, 1831. In young womanhood she was united in marriage with the late Rev. Henry Manifold, an honored member of the Southern

Illinois Conference, with whom, for thirty years, she shared the labors and hardships, the joys and sorrows of the itinerant ministry.

Two daughters, Mae and Dora, blessed the home, the former being now Mrs. Mae Kirkham of St. Louis, Mo., and the latter Mrs. Dora Hord of Louisville, Ill. These, with a sister, three stepchildren and many friends are given their cup of affliction in her death.

In early life she gave herself to the service of the Lord. At the time of her translation, January 24, 1909, she was a member of the Methodist Episcopal Church at Louisville, Ill., to which she had transferred by letter from Pomona, Cal.

Mrs. Manifold was a woman of high ideals and of strong convictions. In her close adherence to the gospel rule of life, she was a crown to her husband and an ornament to the church. She was a faithful wife and a devoted mother. "Her children rise up and call her blessed."

Her funeral services were conducted at Louisville, Ill., by her pastor, the Rev. J. S. Hall, two days after her departure, January 26, 1909, and her frail body, that had held so long her buoyant spirit in restraint, was laid away in Orchard Hill Cometery.

Course of Study The course of study includes prescribed subjects and elective subjects in about equal proportions. Students who wish to follow particular lines of study are enabled to lay a solid foundation for subsequent specialization. Elective courses are offered in Greek, Latin, French, Spanish, Italian, German, English Literature, including old and Middle English, Mathematics, Geology, Mineralogy, Physics, Chemistry, Botany, Biology, History, Economics and Sociology. Upon the completion of a course usually requiring four years, the student is graduated with the degree of Bachelor of Arts.

Physical Training and Hygiene

Every candidate for the degree is required to pursue a course in physiology and hygiene. A commodious modern gymnasium provides systematic exercises according to the Ling, or Swedish, method under careful training and supervision of a physician specially prepared in mechanical therapeutics. Halls are provided for basket ball and courts for tennis and similiar sports. Care is taken to prevent excess in these exercises.

Entrance These are the usual requirements of Eastern colleges and should be met by graduates of good high schools in which at least one sidered when offered by schools preparation which furnish full details will be considered when offered by schools previously accredited, and if found sufficient, will be accepted as substitutes for examination, otherwise examinations will be necessary. Certificates of the College Entrance Examination Board are accepted.

Numbers The College is now (1908) entering upon its twenty-first session. Its alumne number seven hundred and seventy-two. Recent graduating classes have numbered from sixty to seventy-nine. The freshman class numbers, and for the present is limited to one hundred and twenty-five. The students are from all parts of the country. All religious denominations are liberally represented.

Application for Admission Program of the College courses, regulations for the government of the residence halls, blank forms of application and information upon special subjects will be promptly furnished upon request to
